

## Why Kimball Roofing & Repairs DBA?

- Quality:** At Kimball Roofing & Repairs DBA, **quality is our #1 objective.** We won't settle for anything less than the best materials and labor for our customers roofs. GAF/ELK, Versico, Bitec and Republic Coatings are time proven material manufacturers who will warrant not just their material, but also our labor, because of our proven track record of quality performance and reliability. To ensure you have the finest possible job, our full-time Inspectors **regularly** check on your project and grade our roofers for meeting completion deadlines and for producing top quality work. Our roofers receive bonuses for meeting our strict safety & quality and clean up standards.
- Experience:** Kimball Roofing & Repairs DBA hires only experienced professionals who care about their work. Our dedicated supervising staff has combined roofing experience of more than 200 years. This allows us to solve critical roofing problems that other companies overlook.
- Stability:** Kimball Roofing & Repairs DBA has been around for many years, and we plan to be here to serve your needs for many years to come. Unlike roofing companies who are here one year and gone the next, Kimball Roofing & Repairs DBA's proven track record in completing quality work on time stands on its' own. Our reputation for promptly responding to customers needs year after year demonstrates our care and concerns for the trust our customers place in us.
- Reliability:** Webster's Dictionary defines *reliability* as *trustworthy and dependable*. Add to that *experience, stability, quality control*, and a *dedicated Customer Service Team* and you have the one name you can trust for all your roofing needs, Kimball Roofing & Repairs DBA.
- Licensed:** Above All Roofing & Repairs LLC DBA Kimball Roofing & Repairs is professionally licensed by the State of Utah. This license is granted after extensive testing of financial stability, roofing technology practices and business legal compliance. Our license assures you that you are dealing with dedicated professionals who will be here when you need us.
- Insured:** For your added protection, Kimball Roofing & Repairs DBA is fully insured against loss in the event of an accident on your job. This prevents you, as a homeowner, from being liable during your roofing project.
- Competitive:** Using top quality products and workmanship, you might expect Kimball Roofing & Repairs DBA to have high prices, yet we are moderately priced and we feel we offer you the best value for your dollar.
- References:** Do not just take our word for it, contact a few of the thousands of our satisfied customers we have worked with, to discover for yourself the pride and quality we build into every roof. After that, contact the Better Business Bureau, where we have long been a member in good standing, and ask how our customers feel about us. We are proud of our craftsmanship and believe you will be too.
- Value:** With a staff of seasoned roofing professionals, a responsive customer service team, the latest technologies, quality products, affordable pricing and thousands of satisfied customers, it makes good sense – dollars and cents that is – to call Kimball Roofing & Repairs DBA today. **Do not let just anyone work on the most important component on your house.
